CRITERIA - IN ORDER OF IMPORTANCE:

1. Participation in and contributions to the LaGrange Soccer Club program.

The award is presented to students who have made a long term, quality contribution to LaGrange Soccer. This contribution may have been in the form of any of the following:

- a. team participation
- b. coaching
- c. refereeing
- d. volunteer participation in various league related activities

2. Sportsmanship

Consideration will be given to the applicant's demonstrated display of sportsmanship and overall character.

3. Academic Achievement

Although this is not an academic award the applicant must be in good academic standing.

4. Participation in non-club activities at school, home, or in the community.

Consideration will be given to the applicant's participation in activities outside of the LaGrange Soccer Club, such as hobbies, special talents being developed, community activities, and student or outside organizations.

5. Special Needs / Circumstances

If more than one applicant meets the previously listed criteria equally, the committee will then consider special financial needs or extenuating circumstances such as health obstacles that may reflect on an applicant's qualifications for the award.
